Terms & Conditions

1. Permission is non-transferable and granted on a one-time, **non-exclusive** basis.
2. This permission extends only to the **non-commercial** usage specified above for the lifetime of the specified edition of the product. The Licensed Material must be used within 36 months from the date of this licence. Any other use including re-use requires additional permission from Taylor & Francis.
3. Permission extends only to material owned or controlled by Taylor & Francis. Please check the credits in our title for material in which the copyright is not owned or controlled by us. If another source is acknowledged, then you must apply to the owner of the copyright for permission to use this material.
4. **Each copy containing the Licensed Material must bear the following credit line, including full details of the figure/page numbers where relevant, the title, edition, author(s) or editor(s), year of publication and imprint (e.g. Routledge, Psychology Press or CRC Press):**

From: Title, Edition by Author(s)/Editor(s), Copyright (insert © Year) by Imprint. Reproduced by permission of Taylor & Francis Group.

5. This licence does not cover any use of the Licensed Material other than as expressly authorised under this Agreement. Without limiting the foregoing, the Licensed Material may not be used in a custom publishing program or database or input into any artificial intelligence or large language model tool, system or model ("AI Tools"). Any use of the Licensed Material with AI Tools requires a separate licence from Taylor & Francis Group.
6. Except as permitted in law, Taylor & Francis Group reserves all rights not specifically granted under this permission.

If you require further clarification, please do not hesitate to contact us.
