Dear Philipp

Thank you for your message. We have no objection to you adding our book covers to your website. We hope it will give us much more visibility!

Kind regards,
Jane

Dear Jane,

May I post book covers (covers only, no additional pages) from College Publications on the website settheory.eu of the European Set Theory Society (ESTS) for educational purposes? The ESTS is a non-for-profit society registered in Italy. I will include a link to your website. Please let me know if this is fine.

Kind regards

Philipp Schlicht, University of Siena (<https://docenti.unisi.it/it/schlicht>)
