Dear Madam, dear Sir,

May I post book covers (covers only, no additional pages) from World Scientific on the website settheory.eu of the European Set Theory Society (ESTS) for educational purposes? The ESTS is a non-for-profit society registered in Italy. In each case I will include a link to your website. Please let me know if this is fine.

Kind regards

Philipp Schlicht, University of Siena (<https://docenti.unisi.it/it/schlicht>)
